

Dear Community Member,

Journey School Lynnwood is an outdoor school, located in Lynnwood, Washington. We believe that quality education includes daily opportunities to connect with nature. Hands-on experiences in nature offer unique opportunities to support young children's creativity, leadership and problem-solving skills. These experiences enhance children's cognitive abilities, social relations and self-control, which helps build happy, healthy children. With the impact COVID has had on the school and the community, it has become even more apparent how vital these outdoor experiences are for our school and the children within our community.

We are excited to announce **The 6th Annual Embrace The Journey Auction**. This event supports the enhancement and expansion of Journey School's outdoor education and learning opportunities within our school and outdoor playground spaces, as well as Journey School's Employee Assistance Fund. The art auction will showcase children's artwork and projects. We also feature items our school community might be interested in such as; family experiences, children items, vacations, gift baskets and more.

Today, we invite you to join us in our efforts as we strive to continue to meet the needs of our children, staff and community, by supporting **The 6th Annual Embrace the Journey Auction**.

If you are interested in supporting our auction, here's how you can help:

- **Auction Items:** We are looking for donations of all kinds, such as wine for our wine pull, gift certificates, getaways, individual/family experiences, sports and theater tickets, goods and services, gift baskets, etc. (additional ideas are welcome)
- **In-kind Donations:** Beer, wine, hard cider and non-alcoholic beverages to serve our guests during the event.

Each dollar we raise makes a direct impact in our community. With your support, we can continue to support the Journey School staff and improve our outdoor space, which provides ongoing opportunities for our children to explore, learn and grow in. Together, we can continue to make a difference in our children's lives!

Thank you for your support and if you have additional questions, please email: alisha@jslynnwood.com or JSLevents@googlegroups.com

With Gratitude,

Event Committee
